

COUNTY OF RANDOLPH
Health Department
204 E Academy St - Asheboro NC 27203

APPLYING FOR A WATER SAMPLE

In order to apply for a **WATER SAMPLE**, the following information must be available at the time the application is submitted to the Central Permits Office at 204 E Academy St, Asheboro, NC 27203.

- Type of well;
- Location of well;
- Location of faucet;
- Type of treatment system (if any); and
- Type of water sample being requested.

TYPE OF SAMPLE	COST FOR SAMPLE
Bacteriological sample	\$28.90
Fluoride sample	\$31.50
Inorganic chemical sample*	\$74.00
Iron bacteria sample	\$34.00
Lead sample	\$40.00
Nitrate/Nitrite sample	\$31.50
Pesticide sample	\$74.00
Petroleum sample	\$74.00
Sulfate reducing bacteria sample	\$45.00
Volatile Organic Compound sample	\$74.00
Other sample (specify)	Varies

*Inorganic Chemical samples includes: arsenic, barium, cadmium, calcium, chloride, chromium, copper, fluoride, iron, lead, magnesium, manganese, mercury, pH, selenium, silver, sodium, sulfate, total alkalinity, total hardness and zinc.

A \$30.00 trip fee is added to each application. Multiple samples at the same residence incurs only one trip fee. A separate trip fee will be added for each additional visit (ex. chlorine in well, locked gates, no power, resample, etc.)

Please also be aware that the Property Development Technicians that will process your application do not have the technical knowledge of water samples required. If you need this assistance, please contact Environmental Health at the numbers listed below.
