Special Operations

Mission

To supplement standard law enforcement through special crime fighting resources.

Summary

The mission of the Special Operations division will be to bring the three special units of the Sheriff's Department under the leadership of one supervisor. This will allow for better coordination of activities which require a special response, and will allow the three units to operate more efficiently and complement each other better. Vice-Narcotics is responsible for all drug and other vice related investigations in Randolph County. The Criminal Interdiction Team works traffic in Randolph County looking for violations of traffic law and other serious crimes. The Community Crime Prevention provides educational programs to make citizen more aware of criminal activities.
