

Change in Health Department Appointments

Starting November 1, 2013 **all health department clinic services will be by appointment.** This should help you get faster service. Please call the following numbers to make an appointment:

Family Planning	318-6216
Maternity	318-6216
Breast and Cervical Cancer Control Program (BCCCP)	318-6216
Pregnancy Test	318-6200
Immunizations	318-6200
STD/HIV Testing	318-6200
TB Test/Screening	318-6200
Labwork	318-6200

Please bring the following to all appointments:

- Proof of most recent income information
- Insurance, Medicaid, Medicare card(s)
- Identification
- Proof of your current address (bank statement, utility bill, etc.)

We accept credit and debit (NOT ATM) cards.
